

## Report on the Performance of TWG-AW

| TWG Work   | Main Areas of Progress in TWG Work     | Challenges of TWG in Performing Function   | Proposals for Future  |  |  |
|--|--|--|---|--|--|
|  |  |  | Main targets and focus of work  | Membership   | Arrangements to ensure good performance  |
| <ul style="list-style-type: none"> <li>▪ Information sharing on the implementation of SAW and others related.</li> <li>▪ Prepare and report on JMIs</li> </ul> | <p>No meetings of the TWG in 2013.</p> | <ul style="list-style-type: none"> <li>▪ Technical area that should be covered by the TWG-AW is too broad.</li> <li>▪ The management and support structure of the TWG-AW have not performed well and smoothly.</li> <li>▪ In previous years, number of participants in TWG meetings has been high but many appear to be either un-empowered or uninterested to contribute. The large number of participants and the formality of the event reduce the opportunities for open dialogue.</li> <li>▪ In previous meetings, agenda dominated by non-sensitive items for information, few for decision. This has been due in part to the absence of opportunities for subject-matter specialist to discuss particular technical issues in a more informal forum.</li> </ul> | <p>Diversify the breadth of the topics covered based on assessed needs.</p> | <ul style="list-style-type: none"> <li>▪ Previous TWG membership consisted of a number of line ministries and a number of Development Partners.</li> <li>▪ Membership to be revisited to ensure participation at appropriate level.</li> </ul> | <p>Review of the role and functioning of the TWG-AW, including of the TORs and working arrangements, taking account of the guidance in the Development Cooperation and Partnership Strategy.</p> |
